

## WHAT IS NATIONAL DEBTLINE?

FEBRUARY 2010

National Debtline is part of the Money Advice Trust. The Money Advice Trust seeks to increase the quality and availability of free and independent money advice in the United Kingdom.

National Debtline is a national telephone helpline for people with debt problems in England, Wales and Scotland. We give expert advice over the telephone and via email and send callers in debt a self-help information pack free of charge. The service is free, confidential and independent.

National Debtline can also assist callers who wish to set up a debt management plan (DMP), a debt relief order (DRO) or an individual voluntary arrangement (IVA) to deal with their debts.
